To whom it may concern,

It is with great joy that I that I am writing this letter of reference for my friend Dean Anderson. I have had the pleasure of knowing Dean for the past 13 years. I have found Dean to be a man of integrity. His word is his bond. Over the years, I have witnessed Dean take up new challenges that have stretched his growth personally and professionally.

He has increased his leadership skills to a level that will make him an asset to any company that is fortunate to team up with him.

His ability to make any one feel at home with him is one of his strongest assets. I must mention as well that he is a great father.

If you require any more information, please feel free to contact me @ 877-7946.

Kingdom blessings,

Rev Clarence Armstrong
